Back Richard Rout's campaign:

Since being selected as candidate for MP in our new Waveney Valley constituency, residents and businesses have raised their concerns with me about the closure of local banks.

Many depend on using physical bank branches. And these are also good for the overall health of our high streets and local economy. We need action on this and 'pop up' facilities are not enough.

That's why I'm campaigning for 'local banking hubs' where banks can share a high street premises, be open five or six days a week, and provide full personal and business banking services. Crucially, that must mean cash withdrawals and deposits.

If you agree, **please get in touch** via the QR code or form below and **help me prove there's demand for local banking hubs** in our part of Norfolk and Suffolk.
